Call for Philosophy Papers

Epistamai, a student-run journal at the University of Minnesota, Twin Cities, is seeking submissions of short, original philosophical work from undergraduates for its 2021 Conference. Our aim is to showcase undergraduate philosophical work that addresses contemporary social problems and questions of justice philosophically. Professor Tamara Fakhoury will present her paper "Love, Loyalty, and Power: The Nonmoral Dimensions of Violent Resistance" as a keynote presentation.

Please submit papers of no more than 2500 words as .docs or .docx to <https://forms.gle/GP3LzGoSCFyR7W4MA> by February 26, 2021. Presentations should be 15-20 minutes in length. The editorial team will contact authors with our decision by March 5, 2021. The conference will be held virtually on March 19, 2021 from 5:00-8:00pm CST.
